

## **Sterigenics Granted Temporary Restraining Order**

*Court Order Enables Atlanta Facility to Resume Full Operations*

April 1, 2020 – Atlanta, GA – Sterigenics, a leading provider of mission-critical sterilization services to the healthcare industry, today commented on the ruling by the United States District Court for the Northern District of Georgia granting the company’s request for a temporary restraining order.

“Sterigenics is pleased the Court has granted our emergency request for a temporary restraining order to allow us to fully resume the safe sterilization of medical products and supplies in Atlanta. This ruling enables Sterigenics to serve the urgent needs of health care workers and patients, without product limitation, as we begin the proceeding to establish our right to continue the safe operation of our longstanding facility in the interests of public health.”
